Willie/abuse

Artist:	Suzanne Vega
Album:	Solitude Standing
Title:	Luka

My name is Luka
I live on the second floor
I live upstairs from you
Yes I think you've seen me before
If you hear something late at night
Some kind of trouble. some kind of fight
Just don't ask me what it was
Just don't ask me what it was
Just don't ask me what it was
I think it's because I'm clumsy
I try not to talk too loud
Maybe it's because I'm crazy
I try not to act too proud
They only hit until you cry

books

Artist:	Bee Gees
Album:	First
Title:	Please Read Me

Many years ago I was a simple man
A simple man, no worries me;
I never lied
Please read me.

Not much conversation ever came from me,
I never saw reality;
I never tried.
Please read me.
Ah....

Maybe I've been lying on your couch too long
I'll stay if you can see me through, explain why
Please read me. please read me. please read me.

Artist:	Sundays
Album:	Reading Writing & Arithmetic
Title:	Here's Where The Story Ends

People I know, places I go, make me feel tongue-tied
I can see how people look down, they're on the inside
Here's where the story ends
People I see, weary of me showing my good side
I can see how people look down
I'm on the outside
Here's where the story ends
Ooh here's where the story ends

It's that little souvenir of a terrible year
Which makes my eyes feel sore
Oh I never should have said, the books that you read
Were all I loved you for
It's that little souvenir of a terrible year
Which makes me wonder why
And it's the memories of your shed that make me turn red
Surprise, surprise, surprise

Crazy I know, places I go
Make me feel so tired
I can see how people look down

painting

Artist:	Enya
Album:	Paint the Sky with Stars: The Best of Enya
Title:	Paint the Sky with Stars

Suddenly before my eyes

Hues of indigo arise
With them how my spirit sighs
Paint the sky with stars

Only night will ever know
Why the heavens never show
All the dreams there are to know
Paint the sky with stars

Who has paced the midnight sky?
So a spirit has to fly
As the heavens seem so far
Now who will paint the midnight star?

Night has brought to those who sleep

War

Artist:	Black Flag
Album:	My War
Title:	My War

My war you're one of them
You say that you're my friend
But you're one of them

You don't want to see me live
You don't want me to give
Cuz you're one of them

My war you're one of them
You say that you're my friend
But you're one of them

I might not know what a friend is
All I know is what you're not
Cuz you're one of them

My war you're one of them
You say that you're my friend
But you're one of them

I have a prediction, it lives in my brain

Artist:	Pink Floyd
Album:	The Wall
Title:	Waiting For The Worms

Oooo You cannot reach me now,
Oooo No matter how you try.
Goodbye cruel world, it's over.
Walk on by.

Sitting in a bunker,
Here behind my wall,
Waiting for the worms to come. (Worms to come.)
In perfect isolation,
Here behind my wall,
Waiting for the worms to come. (Worms to come.)

Waiting, to cut out the deadwood.
Waiting, to clean up the city.
Waiting, to follow the worms.
Waiting, to put on a black shirt.
Waiting, to weed out the weaklings.
Waiting, to smash in their windows and kick in their doors.
Waiting, for the final solution to strengthen the strain.
Waiting, to follow the worms.
Waiting, to turn on the showers and fire the ovens.
Waiting, for the queers and the coons and the Reds and the Jews.
Waiting, to follow the worms.

Would you like to see Britannia,
Rule again, my friend?
All you have to do is follow the worms.
Would you like to send our colored cousins,
Home again, my friend?
All you need to do is follow the worms.

Artist:	The Cranberries
Album:	To The Faithful Departed
Title:	Warchild

Who will save the warchild baby
Who controls the key?
The web we weave is thick and sordid
Fine by me
At times of war, we're all losers
There's no victory
We shoot and kill and kill your lover
Fine by me
Warchild, victim of political pride
Plant the seed, territorial greed

Mind the warchild, we should mind the warchild
I spent last winter in New York and came upon a man
He was sleeping on the streets and homeless
He said "I fought in Vietnam"
Beneath his shirt he wore his mark, he bore the mark of pride
A two inch deep incision, carved into his side
Warchild, victim of political pride
Plant the seed, territorial greed

Mother/Father

Artist:	Pink Floyd
Album:	The Wall
Title:	Mother

Mother, do you think they'll drop the bomb?
Mother, do you think they'll like this song?
Mother, do you think they'll try to break my balls?
Oooowaa Mother, should I build a wall?

Mother, should I run for President?
Mother, should I trust the government?
Mother, will they put me in the firing line?
Oooowaa Is it just a waste of time?

Hush, my baby. Baby, don't you cry.
Momma's gonna make all of your nightmares come true.
Momma's gonna put all of her fears into you.
Momma's gonna keep you right here under her wing.
She won't let you fly, but she might let you sing.
Momma's gonna keep Baby cozy and warm.
Oooo Babe.
Oooo Babe.

Artist:	Pink Floyd

Title:	Another Brick In The Wall (part 1)

Daddy's flown across the ocean
Leaving just a memory
Snapshot in the family album
Daddy what else did you leave for me?
Daddy, what'd'ja leave behind for me?!?

All in all it was just a brick in the wall.
All in all it was all just bricks in the wall.

"you! yes, you! stand still laddy!"

Title:	Endless Vacation

Endless vacation (4 x)

I kill myself kill the pain a suicide death
A suicide game my skull he's bleaching
In the dust my rage turns to insane lust

All depressed all alone I drift into the
Danger zone deadly spitting cobra life of crime
I want revenge I want what's mine

Endless vacation (4 x)

Like takin' Carrie to the high school prom
Something always goin' wrong hair trigger temper

Tormented mind deadly spitting cobra I am the losin' kind

The heart is the place devils congregate when you're
Raised on a diet of bickering at hate hair trigger
Temper tormented mind deadly spitting cobra
I am the losin' kind

Hey hey hey hey hey hey hey hey
Hey hey hey hey hey hey hey hey

Endless vacation (8 x)

Artist:	Cat Stevens
Album:	Teaser And The Firecat
Title:	Peace Train

Now I've been happy lately, thinking about the good things to come
And I believe it could be, something good has begun

Oh I've been smiling lately, dreaming about the world as one
And I believe it could be, some day it's going to come

Cause out on the edge of darkness, there rides a peace train
Oh peace train take this country, come take me home again

Now I've been smiling lately, thinking about the good things to come
And I believe it could be, something good has begun

Oh peace train sounding louder
Glide on the peace train
Come on now peace train
Yes, peace train holy roller

Everyone jump upon the peace train
Come on now peace train

Get your bags together, go bring your good friends too
Cause it's getting nearer, it soon will be with you

Now come and join the living, it's not so far from you
And it's getting nearer, soon it will all be true

Now I've been crying lately, thinking about the world as it is
Why must we go on hating, why can't we live in bliss

Cause out on the edge of darkness, there rides a peace train
Oh peace train take this country, come take me home again

London

Artist:	Clash, The
Album:	London Calling
Title:	London Calling

(strummer/jones)

London calling to the faraway towns
Now that war is declared-and battle come down
London calling to the underworld
Come out of the cupboard, all you boys and girls
London calling, now don't look at us
All that phony Beatlemania has bitten the dust
London calling, see we ain't got no swing
'cept for the ring of that truncheon thing

Chorus

The ice age is coming, the sun is zooming in
Engines stop running and the wheat is growing thin

A nuclear error, but I have no fear
London is drowning-and I live by the river

London calling to the imitation zone
Forget it, brother, an' go it alone
London calling upon the zombies of death
Quit holding out-and draw another breath
London calling-and I don't wanna shout
But when we were talking-I saw you nodding out
London calling, see we ain't got no highs
Except for that one with the yellowy eyes

Chorus

Now get this
London calling, yeah, I was there, too
An' you know what they said? well, some of it was true!
London calling at the top of the dial
After all this, won't you give me a smile?

I never felt so much a' like

country

Artist:	John Denver
Album:	Country Roads Collection
Title:	Take Me Home, Country Roads

Almost heaven, west Virginia
Blue ridge mountains
Shenandoah river -
Life is old there
Older than the trees
Younger than the mountains
Growin' like a breeze

Country roads, take me home
To the place I belong
West Virginia, mountain momma
Take me home, country roads

All my memories gathered 'round her
Miner's lady, stranger to blue water
Dark and dusty, painted on the sky
Misty taste of moonshine
Teardrops in my eye

Country roads, take me home
To the place I belong
West Virginia, mountain momma
Take me home, country roads

I hear her voice
In the mornin' hour she calls me
The radio reminds me of my home far away
And drivin' down the road I get a feelin'
That I should have been home yesterday, yesterday

Country roads, take me home
To the place I belong
West Virginia, mountain momma
Take me home, country roads

Country roads, take me home
To the place I belong
West Virginia, mountain momma
Take me home, country roads
Take me home, now country roads
Take me home, now country roads

Title:	Thank God I'm A Country Boy

Well life on the farm is kinda laid back
Ain't much an old country boy like me can't hack
It's early to rise, early in the sack
Thank god I'm a country boy

Well a simple kinda life never did me no harm
A raisin' me a family and workin' on a farm
My days are all filled with an easy country charm
Thank god I'm a country boy

Well I got me a fine wife I got me a fiddle
When the sun's comin' up I got cakes on the griddle
Life ain't nothin' but a funny funny riddle
Thank god I'm a country boy

When the work's all done and the sun's settlin' low
I pull out my fiddle and I rosin up the bow
The kids are asleep so I keep it kinda low
Thank god I'm a country boy

I'd play j°sally goodin'j± all day if I could
But the lord and my wife wouldn't take it very good
So I fiddle when I could, work when I should
Thank god I'm a country boy

Well I got me a fine wife I got me a fiddle

When the sun's comin' up I got cakes on the griddle
Life ain't nothin' but a funny funny riddle
Thank god I'm a country boy

Well I wouldn't trade my life for diamonds and jewels
I never was one of them money hungry fools
I'd rather have my fiddle and my farmin' tools
Thank god I'm a country boy

Yeah, city folk drivin' in a black limousine
A lotta sad people thinkin' that's mighty keen
Son, let me tell ya now exactly what I mean
Thank god I'm a country boy

Well I got me a fine wife I got me a fiddle
When the sun's comin' up I got cakes on the griddle
Life ain't nothin' but a funny funny riddle
Thank god I'm a country boy

Well, my fiddle was my daddy's till the day he died
And he took me by the hand and held me close to his side
Said, j°live a good life and play my fiddle with pride
And thank god you're a country boy

My daddy taught me young how to hunt and how to whittle
Taught me how to work and play a tune on the fiddle
Taught me how to love and how to give just a little
Thank god I'm a country boy

Well I got me a fine wife I got me a fiddle
When the sun's comin' up I got cakes on the griddle
Life ain't nothin' but a funny funny riddle
Thank god I'm a country boy
Thank god I'm a country boy

Title:	Are You Ready For The Country

Slipping and sliding and playing domino
Lefting and then righting, it's not a crime you know.
You gotta tell your story boy, before it's time to go.

Are you ready for the country because it's time to go?
Are you ready for the country because it's time to go?

I was talkin' to the preacher, said god was on my side

Then I ran into the hangman, he said it's time to die
You gotta tell your story boy, you know the reason why.

Are you ready for the country because it's time to go?
Are you ready for the country because it's time to go?

Album:	All Over The Place
Title:	Dover Beach

(s. hoffs/v. peterson)

If I had the time
I would run away with you
To a perfect world
We'd suspend all that is duty or required

Late last night you cried
And I couldn't come to you
But on the other side
You and I, inseparable and walking, yeah

If we could steal away
Like jugglers and thieves
But we could come and go
Oh, and talk of Michelangelo, oh

If we had the time (we had the time)
We had the time

The day you looked at me
And it was on your mind
The world is no one's dream
We will never ever find the time, oh

If we had the time
I would run away with you
To a perfect world
To a perfect world

sadness

Artist:	Vanilla Ninja
Album:	Traces Of Sadness
Title:	Traces Of Sadness

Verse 1:

He walked through the neon light
His future's 'bout to burn
His face was a mask of violence
He'd just reached the bitter end -
That point of no return
There was nothing left to reach

Chorus:

Just traces of sadness
(All the tears remained uncried)
Just echoes of madness
(All his fantasies had died)
He buried his daydreams
(But the nightmares stayed alive)
(Addiction's like a fence)
(That keeps away your second chance)
When the road to freedom ends

Verse 2:

Drinks and drugs and all the rest
He walked that one way street
That leads into desperation
And he learned the hardest way
To steal and fight and cheat
There was nothing left to learn

Chorus:

Just traces of sadness
(All the tears remained uncried)
Just echoes of madness
(All his fantasies had died)
He buried his daydreams
(But the nightmares stayed alive)
(Addiction's like a fence)
(That keeps away your second chance)
When the road to freedom ends

Bridge:

Deep down in his soul he found
The words he had to learn:
There is no way to return

Chorus:

Just traces of sadness
(All the tears remained uncried)
Just echoes of madness
(All his fantasies had died)

He buried his daydreams
(But the nightmares stayed alive)
(Addiction's like a fence)
(That keeps away your second chance)
When the road to freedom ends
When the road to freedom ends

(The traces of sadness)

Chorus:
Just traces of sadness
(All the tears remained uncried)
Just echoes of madness
(All his fantasies had died)
He buried his daydreams
(But the nightmares stayed alive)
(Addiction's like a fence)
(That keeps away your second chance)

And I shit you not, I'm going to say it again

Title:	Happy Outside

Woke up this morning and I had to smile
This feeling covered me and warmed my insides
And soon you'll find me happy outside
Yes someday you'll find me happy outside

No the clouds won't stop me
They're just obstacles and I can take them on
And if the lightning strikes me
It's just energy and I can take it on

Woke up this morning and I saw sunshine
This feeling covered me and warmed my insides
And soon you'll find me happy outside
Yes someday you'll find me happy outside

No the clouds won't stop me
They're just obstacles and I can take them on
And if the lightning strikes me
It's just energy and I can take it on

Title:	Happy Jack

Happy jack wasn't old, but he was a man
He lived in the sand at the isle of man
The kids would all sing, he would take the wrong key

So they rode on his head on their furry donkey

The kids couldn't hurt jack
They tried and tried and tried
They dropped things on his back
And lied and lied and lied and lied and lied

But they couldn't stop jack, or the waters lapping
And they couldn't prevent jack from feeling happy

But they couldn't stop jack, or the waters lapping
And they couldn't prevent jack from feeling happy

The kids couldn't hurt jack
They tried and tried and tried
They dropped things on his back
And lied and lied and lied and lied and lied

But they couldn't stop jack, or the waters lapping
And they couldn't prevent jack from feeling happy

Artist:	Good Charlotte
Album:	The Chronicles of Life and Death (Life Version)
Title:	The Chronicles Of Life And Death

You come in cold,
You're covered in blood.
They're all so happy you've arrived.
The doctor cuts your chord.
He hands you to your mom.
She sets you free into this life.
And where do you go with no destination, no maps to guide you.
Wouldn't you know that it doesn't matter, we all end up the same.

These are the chronicles of life and death and everything between.
These are the stories of our lives, as fictional as they may seem.
You come in this world, and you go out just the same.
Today could be the best day of your life.

And money talks in this world,
That's what idiots will say
But you'll find out that this world,
Is just an idiots parade
Before you go, you've got some questions.

And you want answers
But now you're old, cold, covered in blood,
right back to where you started from

These are the chronicles of life and death and everything between.
These are the stories of our lives, as fictional as they may seem.
You come in this world, and you go out just the same.
Today could be the worst day of your life.

But these are the chronicles of life and death and everything between.
These are the stories of our lives, as fictional as they may seem.
You come in this world, and you go out just the same.
Today could be the best day of,
Today could be the worst day of,
Today could be the last day of your life.
It's your life, your life.

Title:	I Will Follow You Into The Dark

Love of mine some day you will die
But I'll be close behind
I'll follow you into the dark

No blinding light or tunnels to gates of white
Just our hands clasped so tight
Waiting for the hint of a spark
If heaven and hell decide
That they both are satisfied
Illuminate the no's on their vacancy signs

If there's no one beside you
When your soul embarks
Then I'll follow you into the dark

In Catholic school as vicious as Roman rule
I got my knuckles bruised by a lady in black
And I held my tongue as she told me
"Son fear is the heart of love"
So I never went back

If heaven and hell decide
That they both are satisfied
Illuminate the no's on their vacancy signs

If there's no one beside you
When your soul embarks
Then I'll follow you into the dark

You and me have seen everything to see
From Bangkok to Calgary
And the soles of your shoes are all worn down
The time for sleep is now
It's nothing to cry about
Cause we'll hold each other soon
The blackest of rooms

If heaven and hell decide
That they both are satisfied
Illuminate the no's on their vacancy signs

If there's no one beside you
When your soul embarks
Then I'll follow you into the dark
Then I'll follow you into the dark

Artist:	Iron Maiden
Album:	Dance of Death
Title:	dance of death

Let me tell you a story to chill the bones
about a things that I saw
One night wandering in the everglades
I'd one drink but no more

I was rambling, enjoying the bright moonlight
Gazing up at the stars
Not aware of a presence so near to me
Watching my every move

Feeling scared and I fell to my knees
As something rushed me from the trees
Took me to an unholy place
And that is where I fell from grace

Then they summoned me over to join in with them
To the dance of the dead
In to the circle of fire I followed them
In to the middle I was led

As if time had stopped still I was numb with fear
But still I wanted to go
And the blaze of the fire did no hurt upon me
As I walked onto the coals

And I felt I was in a trance
And my spirit was lifted from me
And if only someone had the chance
To witness what happened to me

And I danced and I pranced and I sang with them
All had death in their eyes
Lifeless figures they were undead all of them
They had ascended from hell

As I danced with the dead
my free spirit was laughing and howling down at me
Below my undead body just danced the circle of dead

Until the time came to reunite us both
My spirit came back down to me
I didn't know if I was alive or dead
As the others all joined in with me

By luck then a skirmish started
And took the attention away from me
When they took their gaze from me
Was the moment that I fled

I ran like hell faster than the wind
But behind I did not glance
One thing that I did not dare
Was to look just straight ahead

When you know that your time has come around
You know you'll be prepared for it
Say your last goodbyes to everyone
Drink and say a prayer for it

When you're lying in your sleep, when you're lying in your bed
And you wake from your dreams to go dancing with the dead
When you're lying in your sleep, when you're lying in your bed
And you wake from your dreams to go dancing with the dead

To this day I guess I'll never know
Just why they let me go
But I'll never go dancing no more
'Til I dance with the dead

Title:	Don't Go

I feel my days
Are running away like rain
I'm trying to hold on
Even though it's in vain
Off and on
Every day we change
All and all
Love and pain remain

I wish I could exist
Without your love
I wish I wouldn't be
Dependent on
Don't lie to me
To make it all alright
When your eyes
Are telling me good-bye

Don't go
You're all that I have
Don't go
Cause I love you so
Don't go
You're all that I have
Don't go
Cause I love you more than you know
Don't go

I know the way you feel

Won't stay the same
I wish that I could rise
Above the pain
On and on
I'll take it day by day
All in all
I make it through the rain

Don't go
You're all that I have
Don't go
Cause I love you so
Don't go
You're all that I have
Don't go
Cause I love you more than you know
You're breaking my heart
Don't go
You tear me apart
Don't go
You're all that I have
Don't go
Cause I love you more than you know

When you look into my eyes
Can you see the fear I'm holding back
I don't want to let it out cause this
Fear is keeping me on track
I just got to let you know
I don't want to see you go away
I won't change
Love and pain remains

Repeat chorus

Title:	Please Don't Die

Let me lie down
Please don't wake me
Nothings sacred
And no one save me

In my black eye
I can feel it
Moving
Closer
Cant you hear it

Only gift you gave to me
Self fulfilling prophecy
Here to change the sounds that shaped my life

And if you die before I leave
What on earth becomes of me
Look around there's no one here
To love me and hold me

Take me
Dancing
I love music
Keep on
Singing
We wont loose it

Bet ya
Leaving
Missing no one
If your hearts run free
Why cant we go on

Go on to till they kick us out
We've everything to talk about
I could bring a song into your life

If you should die before I leave
What on earth becomes of me
Look around there's no one here
To love me and hold me

Maybe I been away to long
And no wonder they are always right but is there wrong
They say there is nothing I can do
But to talk to strangers and wait for you

If you should die before I leave
What on earth becomes of me
Look around there's no one here
To love me and hold me

And if you die before I leave
What on earth becomes of me
Look around there's no one here
To love me and hold me
Oooh ooh ooh!

Album:	Tooth And Nail
Title:	Alone Again

Music: pilson, dokken
Lyrics: dokken, pilson

I'd like to see you in the morning light
I like to feel you when it comes to night
Now I'm here and I'm all alone
Still I know how it feels, I'm alone again

Tried so hard to make you see
But I couldn't find the words
Now the tears, they fall like rain
I'm alone again without you
Alone again without you
Alone again without you

I said stay, but you turned away
Tried to say that it was me
Now I'm here and I've lost my way
Still I know how it feels, I'm alone again

Tried so hard to make you see
But I couldn't find the words
Now the tears, they fall like rain
I'm alone again without you

I tried so hard to make you see
But I couldn't find the words
Now the tears, they fall like rain
I'm alone again without you

Together

Artist:	Indigo Girls
Album:	Strange Fire
Title:	Get Together

Love is but a song we sing
And fear's the way we die
You can make the mountains ring

Or make the angels cry
Though the bird is on the wing
You may not know why

Come on people now
Smile on your brother
Everybody get together
Try to love one another right now

Some may come and some may go
We will surely pass
When the one that left us here
Returns for us at last
We are but a moment's sunlight
Fading in the grass yeah

Come on people now
Smile on your brother
Everybody get together
Try to love one another right now

Come on people now
Smile on your brother
Everybody get together
Try to love one another right now

If you hear the song we sing
You will understand
You hold the key to love and fear
All in your trembling hand
Just one key unlocks them both
It's there at your command

Come on people now
Smile on your brother
Everybody get together
Try to love one another right now

Come on people now
Smile on your brother
Everybody get together
Try to love one another right now
Try to love one another right now
Try to love one another right now

Title:	Mother

Mother
This is my life
Sister
Come and take my life
You are obscene and you know it
I run from me and it shows
That's what you like me for, huh, sister
Crawling now on the floor
Do you like it
Sister
Mother
This is my life
Sister
Come and take my life
You are obscene and you know it
I run from you and it shows
That's what you like me for, huh, sister
Crawling now on the floor
Do you like it
Sister
You are me
You are me

Title:	Cycle Of Abuse

Treated unfairly, you resent everybody that has so much
Of the things in life that were taken away from you.
So wrapped up in your misery, you never feel the love that surrounds you,
So wrapped up in your misery, you never notice that life passed you by.

You've waited all your life for the pain to go away
Lock yourself inside a world that makes you hate.

Left it all alone, ignored by the one you need attention from
For the things in life you never achieved on your own.
He can't be bothered to care for you, to hold and respect and be there for you,
He can't be a real father to you, some day he'll regret all time that went by.

You've waited all your life for the pain to go away
And I've always hated to see you hurt inside.
So much I try to help but you push me away,
Lock yourself inside a world that makes you hate
Locked inside a world of hate.

Beaten down for as long as you remember
Your life was analyzed, criticized and dismembered
Your hopes and dreams were discouraged and severed
The pain you've endured, the suffering you've weathered
You find it so hard to pull yourself together
To face the world to your fears you surrender,
You dream of a day you'll overcome and sever,
The cycle of abuse and the pain you've carried forever.

You're not alone, there's so many others that care for you,
So many things in our lives you helped us all get through
It means so much to me that you're here to share in my life
And calm my tears, it means so much to me that you're alive,
As you hold my child and wipe the tears from your eyes.

Baby

Artist:	Grateful Dead
Album:	Aoxomoxoa
Title:	What's Become Of The Baby

Waves of violet go crashing and laughing
The rainbow winged singing birds fly 'round the sun
Sun bells rain down in a liquid profusion
Mermaids on porpoises draw up the dawn
What's become of the baby this cold December morning?

Songbirds frozen in their flight
Drifting to the earth, remnants of forgotten dreaming
Dawning answer comes there none.

Go to sleep you child, dream of never-ending always
Panes of crystal ice sparkle like waterfalls
Lighting the polished ice caverns of the dawn,
But where in the looking-glass fields of illusion
Wandered the child who was perfect as the dawn?
What's become of the baby this cold December morning?
What's become of the baby this cold December morning?

Racing in rhythm of the sun
All the world revolves captured in the eye of woman
Allah, where are you now?

All eyes are blinded by the sparkling waters
Scheherazade gathering stories to tell
But where is the child who played with the sunshines?
And chased the cloud shape to the regions of mind?
Standing stream cries the south wind

Lost in the regions of
Shadow-like chains of illusion, delusions of living and dead.

Hospital

Artist:	The Cranberries
Album:	No Need To Argue
Title:	Zombie

Another head hangs lowly
Child is slowly taken
And the violence caused such silence
Who are we mistaken
But you see it's not me,
It's not my family
In your head, in your
head they are fighting
With their tanks and their bombs
And their bombs and their guns
In your head
In your head they are cryin'
In your head
Zombie
What's in your head, in your head
Zombie
Another mother's breakin'
Heart is taking over
When the violence causes silence
We must be mistaken
It's the same old theme since 1916
In your head,
In your head they're still fightin'
With their tanks
In your head they are dyin'
In your head, in your head
Zombie
What's in your head, in your head
Zombie

Growing

Title:	Let It Grow

(by Eric Clapton)

I'm standin' at the crossroads
Tryin' to read the signs
To tell me which way I should
Go to find the answer
And all the time I know
Let your love and let it grow.

Let it grow, let it grow,
Let it blossom, let it flow.
In the sun and in the snow
Love is lovely, let it grow.

Lookin' for a reason
To check out on my mind.
It's so hard to find a
Friend that I can count on.
There's nothin' left to show,
Plant your love and let it grow.

Let it grow...

Time is gettin' shorter
And there's much for you to do,
Only ask'n you will get what you are needin',
The rest is up to you.
Plant your love and let it grow.

Let it grow...

Title:	Don't Give Up

In this proud land we grew up strong
We were wanted all along
I was taught to fight, taught to win
I never thought I could fail

No fight left or so it seems
I am a man whose dreams have all deserted
I've changed my face, I've changed my name
But no one wants you when you lose

Don't give up
'cos you have friends
Don't give up
You're not beaten yet
Don't give up
I know you can make it good

Though I saw it all around
Never thought I could be affected
Thought that we'd be the last to go
It is so strange the way things turn

Drove the night toward my home
The place that I was born, on the lakeside
As daylight broke, I saw the earth
The trees had burned down to the ground

Don't give up
You still have us
Don't give up
We don't need much of anything
Don't give up
'cause somewhere there's a place
Where we belong

Rest your head
You worry too much
It's going to be alright
When times get rough
You can fall back on us
Don't give up
Please don't give up

'got to walk out of here
I can't take anymore
Going to stand on that bridge
Keep my eyes down below
Whatever may come
And whatever may go
That river's flowing
That river's flowing

Moved on to another town
Tried hard to settle down
For every job, so many men
So many men no-one needs

Don't give up
'cause you have friends
Don't give up
You're not the only one
Don't give up
No reason to be ashamed
Don't give up
You still have us
Don't give up now

We're proud of who you are
Don't give up
You know it's never been easy
Don't give up
'cause I believe there's the a place
There's a place where we belong

Title:	Wind Beneath My Wings

Oh, oh, oh, oh -
It must have been cold there in my shadow,
To never have sunlight on your face.
You were content to let me shine, that's your way.
You always walked a step behind.

So I was the one with all the glory,
While you were the one with all the strain.
A beautiful face without a name for so long.
A beautiful smile to hide the pain.

Did you ever know that you're my hero,
And everything I would like to be?
I can fly higher than an eagle,
For you are the wind beneath my wings.

It might have appeared to go unnoticed,
But I've got it all here in my heart.
I want you to know I know the truth, of course I know it.
I would be nothing without you.

Did you ever know that you're my hero?
You're everything I wish I could be.
I could fly higher than an eagle,
For you are the wind beneath my wings.

Did I ever tell you you're my hero?
You're everything, everything I wish I could be.
Oh, and I, I could fly higher than an eagle,
For you are the wind beneath my wings,
'cause you are the wind beneath my wings.

Oh, the wind beneath my wings.
You, you, you, you are the wind beneath my wings.
Fly, fly, fly away. you let me fly so high.
Oh, you, you, you, the wind beneath my wings.
Oh, you, you, you, the wind beneath my wings.

Fly, fly, fly high against the sky,
So high I almost touch the sky.
Thank you, thank you,
Thank god for you, the wind beneath my wings.
